Comfort that envelops you like a light breeze. There's a time in your salon when time slows down. A silent pause, a deep **breath**. This is where **Breeze** was born — the washunit that envelops the customer in a **caress** of design. With soft and welcoming armrests, an electric leg lift for maximum **relaxation**, and all the Comfort Plus that makes the difference.

Breeze. Lightness becomes well-being.

Un confort qui vous enveloppe comme une douce brise. Il y a un moment dans votre salon où le temps ralentit. Une pause silencieuse, une **respiration** profonde. C'est là qu'est né **Breeze** — le bac qui enveloppe le client d'une **caresse** de design. Avec des accoudoirs moelleux et accueillants, un lève-jambe électrique pour une **détente** maximale, et tout le Confort Plus qui fait la différence.

Breeze. La légèreté devient bien-être.

The washunit that thinks of you, too. Every day, between hairstyles, cuts and treatments, salon workers deserve **comfort** as much as customers. **Pochette Up & Down** is electrically adjustable in height, accompanying every movement with **precision and care**, to protect the operator's back and prevent tension and fatigue.

Because well-being begins with those who provides it to others.

Le bac de lavage qui pense aussi à vous. Chaque jour, entre coiffures, coupes et soins, les employés des salons méritent autant de **confort** que les clients. **Pochette Up & Down** est réglable électriquement en hauteur, accompagnant chaque mouvement avec **précision et soin**, pour protéger le dos de l'opérateur et prévenir les tensions et la fatigue.

Parce que le bien-être commence avec celui qui le donne aux autres.
